

Hit or Miss- Odetta

Ok? Ok.

Ah.. la.. la.. Oh..

Can't you see?

I gotta be me

Ain't nobody just like this

I gotta be me

Baby hit or miss..

Sitting here

All by myself

Trying to be

Everybody else

Can't you see?

I gotta be me

Ain't nobody just like this

I gotta be me

Baby hit or miss..

Look at you sitting there

All by yourself

Listening to everybody

Everybody say be everybody
else

Can't you see?

You gotta be thee

Aint nobody just like you

You gotta be you

Baby hit or miss..

Oh.. la.. la.. na.. na..

Oh you see

I gotta be me

Ain't nobody just like this

I gotta be me

Baby hit or miss..

Sitting here

I'm all by myself

I'm trying to be

Everybody else

But now I see

I gotta be me

Ain't nobody just like this

I've gotta be me

Baby hit or miss..

Baby hit or miss..

Hit or miss

Ain't nobody just like this

I gotta be me

Hit or miss

Baby hit or miss..

Oh you see

I gotta be me

Ain't nobody

Just like this

I gotta be me

Baby hit or miss

Sitting here

I'm all by myself

I'm trying to be

Everybody else

But now I see

I gotta be me

Ain't nobody

Just like this

I gotta be me

Baby hit or miss

**I Wish I knew how it
would feel to be free –
Nina Simone**

I wish I knew how

It would feel to be free.

I wish I could break

All the chains holding me.

I wish I could say

All the things that I should
say--

Say 'em loud, say 'em clear

For the whole round world to
hear.

I wish I could share

All the love that's in my heart,

Remove all the bars

That keep us apart.

I wish you could know

What it means to be me.

Then you'd see and agree

That every man should be
free.

I wish I could give

All I'm longin' to give.

I wish I could live

Like I'm longin' to live.

I wish I could do

All the things that I can do.

Though I'm way overdue

I'd be starting anew.

Well, I wish I could be

Like a bird in the sky.

How sweet it would be

If I found I could fly.

I'd soar to the sun

And look down at the sea.

Cuz I know___ how it
feels_____ to be free_____.

We could always take some
time, talk it through

I'm sure we have the same
old stories me and you

Oh we refuse to love each
other that's a real crime

Are we forgetting about hope
and joy

Feel like the time has come
for us to come rejoice

We should be stronger than
this

Dont divide just unify and live
happily

What's so difficult about it all

No need for comparison you
know just who you are

Always here to talk it through,
you ok

But were just busy only
thinking bout ourselves

Stronger – GeeJay

We should be stronger than
this

Don't divide just unify and live
happily

What's so difficult about it all

No need for comparison you
know just who you are

What if we could take some
time to unify

Are we forgetting 'bout hope
and joy

Feel like the time has come
for us to come rejoice

We should be stronger than
this

Don't divide just unify and live
happily

What's so difficult about it all

No need for comparison you
know just who you are

We could always take some
time, talk it through

I'm sure we have the same
old stories me and you

But we refuse to love another
that's a real crime

Are we forgetting 'bout hope
and joy

Feel like the time has come
for us to come rejoice

We should be stronger than
this

Don't divide

Unify oh oh oh
